

## **TECH SHEET & RIDER - THE GREAT BALANZO presented by Aytahn Ross**

### **GYMNASIUMS & HALLS** (any venues with no stage and no sound & lights provided)

Space - Floor 15ft deep X 20ft long minimum / Height 12 ft minimum.

Power within 15 ft of performance space

Basic Lighting to ensure performance space is lit.

Access to drinking water

Change Room / Bathroom - with mirror & space to hang clothing.

\*Parking as close to performance space as possible for load-in.

### **THEATRES & STAGES** (any venue with a stage & some sound & lights provided)

#### **AUDIO**

- 1 lavalier microphone provided by the artist to plug in to sound board / system

- 1 Direct Input at Side / Off Stage for iPod to run MUSIC from

#### **LIGHTING**

- General Wash - Minimum

The full stage must be lit & there must be some lighting at a height of 9-10ft so that objects being juggled & balanced during the show can be seen / are not in shadows.

#### **DRESSING ROOM**

A clean space with mirror, wardrobe and bathroom. Access to drinking water.

\*Parking as close to the performance space as possible for load-in.

### **FULL THEATRICAL EVENTS**

Detailed Tech Specs & Rider will be provided for full theatrical performances / runs including light & sound cues, meal requirements, lodging, and more upon request.

#### **NOTE**

The Great Balanzo show is very flexible and it is performed in many different contexts, spaces and venues so needs & requirements often change. Please don't hesitate to be in touch with any questions or concerns you may have. Thank you :-)
