

INFINITUS

INFINITUS PERFORMS WITH YOUR GROUP

PROGRAM OUTLINE

Infinitus joins forces with your ensemble, culminating in a joint performance. Repertoire is chosen in advance through correspondence between Infinitus and the program director, and is arranged by Infinitus to fit the level/instrumentation of the ensemble. This 1-day workshop includes a rehearsal, sectional, an improvisation workshop, and a performance. The final performance features a 25-minute set by Infinitus, and a joint performance with the ensemble.

- Prior communication with conductor/teacher is necessary
- Scores/parts will be sent in advance (at the conductor's discretion)
- Appropriate for all levels (Preferably, students should be of similar-ability and age.)
- Ideal for string ensembles, although other options may be possible
